

Minutes for ICS Board Meeting of August 18, 2022

Present - Garry, Heather, Kay, Matt, Nathan, and Gigi

Principal's Report - We have 131 students enrolled in ICS.

We welcomed families back to campus on August 4th for Back to School Night. There was a great turnout and popsicles, jump ropes, and bounce houses were enjoyed by all.

School began on August 8th.

The high school volleyball team is practicing and preparing for their first game.

Interact, Student Council, and Robotics have started back up. Robotics will be attending the Wings over Camarillo Airshow and demonstrating their robot this weekend.

Mrs. McDermott is our secondary student liaison for college and career. She will be working with our students on how to plan and accomplish their educational goals.

The Gradelink system has been put in place to help with effective communication with our families.

Parents have started meeting and planning our October Dinner Auction.

Erica Beeler has been a great asset to our Robotics program.

Parents have reviewed our WASC self-study. A group of parents are ready to meet with the WASC team when they arrive.

Mrs. Rivera is our new Athletic Director.

We have opened our afterschool care and the Robotics club to the community.

WASC arrives September 11th at noon and leaves September 14th at 5pm.

Finance Report - Garry gave us a report about finances.

We gave out 38,000 in scholarships.

We are working in the black!

Our goal is to be completely self sufficient when the donor funds stop in 4 years.

Fundraising - We need a fundraising subcommittee member.

Teacher Representatives - Marianne says it is hot in her temporary quarters in the high school wing. Swamp coolers are not doing an effective job.

Natalie, our new secondary teacher Rep, said thank you for Canvas.

She also told us that 40 people from ICS would be participating in the Parade of 1,000 flags.

Student Representative - Makayla, our new rep, said everyone is happy to be back on campus.

Senate and Interact meetings have already been held.

Old Business

Board Chairman - Garry has graciously agreed to stay with the board for a while longer. Matt made a motion to extend Garry's term as Chairman of the Board for 1 more year. Kay seconded the motion. The motion passed unanimously.

Board Vice Chairman - Matt has volunteered to serve as the Board's Vice Chairman.

Board Member Development - You shouldn't vote for Board members; it is a ministry.

We are looking into CCW possibilities. A meeting to discuss this with the church's elder board will be held Sept 8, at 6:30.

New Business

Principal's Evaluation - The board evaluated Heather. Her average score was a 3.88 out of 4.
She is doing an outstanding job!

We need to consider looking for a bus and a bus driver. Afterschool care has 15 ICS students and 0 community children this year because we cannot pick them up from their schools.
