

Immanuel Christian School Board Minutes

July 14, 2022

Members Present: Garry Noel, President, Lynette Minnick, Matt McDermott, Tara Randolph, and Kay Lloyd. Heather Urich, Principal ICS also attending.

Principal's Report: Heather reported that the school renovations for the flood damage are going well and TBD for the schedule. One hundred twenty-five students are registered. All staff positions are filled. Back to School Night is August 4th at 5:30 for middle school and high school students. Elementary students meeting starts at 6:00PM. School security was discussed and the program brochure was passed around. Marketing on Facebook and other social media is being done for recruitment for ICS. WASC representatives will be here September 11th thru the 14th to evaluate our school, staff, students, and ICS Board. ICS Annual Auction and Dinner is October 14th. We hope Janelle Naslund Bloudek will be leader of this amazing, wonderful fund raiser for scholarships for ICS. She and her team (including her parents) did a FANTASTIC job last year.

Old Business: We still need a new president for the ICS Board. Garry Noel graciously agreed to stay on as Matt McDermott volunteered to fill in when he is gone.

New Business: Heather will need help in the future putting the refurbished classrooms back in place with moving of furniture, books, etc. TBD

Thank You: We want to thank Heather for the incredible job she did last year revitalizing and improving our ICS. God bless you Heather.

In His love,
Kay Lloyd
